This matter is before the court on its own motion. On February 17, 2015, the court ordered Plaintiff to show cause within 30 days why this case should not be dismissed as untimely under the applicable statute of limitations. The court warned Plaintiff that, absent a showing of good cause, this case would be dismissed with prejudice and without further notice.

Plaintiff filed an Amended Complaint (Filing No. [8](#)) on March 2, 2015, in which Plaintiff did not the address the timeliness issues raised in the court's February 17 order.

IT IS THEREFORE ORDERED that: For the reasons set forth in the court's order dated February 17, 2015, this case is dismissed with prejudice because it is

untimely under the applicable statute of limitations. The court will enter a separate judgment in accordance with this order.

DATED this 15th day of April, 2015.

s/ John M. Gerrard
United States District Judge
